

## Complimentary Vet Consultation from Aon Happy Tails

As part of our ongoing efforts to keep your furry friend in the pink of health, we are pleased to share that we have collaborated with ZumVet to extend a one-time complimentary online vet consultation with your Happy Tails policy.

From now until 30 Sep 2021, all existing and new Happy Tails policies purchased during this time are eligible for one (1) free video consultation with ZumVet. You will be able to speak to a vet about any issue, including issues which are not covered by the Happy Tails policy. Medication can be prescribed and delivered right to your doorstep. Subsequent visits will be eligible for a 10% discount on consultation fees. (Note medication fees are as charged)

ZumVet is a digital platform that provides affordable and convenient access to Singapore vets through video consultation and medication delivery. By consolidating all of your pet's medical records on a single platform, ZumVet also ensures every consultation takes into account the most up-to-date information about your pet's health to give you complete peace of mind. For more information, visit [ZumVet](#).

To claim your complimentary vet consultation, simply:

1. Visit [ZumVet](#)
2. Make a booking using your valid Happy Tails policy number as the promotion code

If your pet is in tip top shape, ZumVet can help you nonetheless with any wellness-related questions through a video consultation.
